Kayak Party Invitation!

Dear

You are invited to a kayaking birthday party at Warwick Boats on:

Date:		Time:	
-------	--	-------	--

What will we do?

After meeting your instructor you will be given an introduction to the equipment and safety briefing. Then it's onto the river! You will enjoy a combination of playing group games and some skills challenges. The group will usually take a short river trip.

What age range is it for?

We offer kayak sessions from age 8 up. Parents/Guardians are welcome to join in but our instructors will take excellent care of your children so it is not a requirement.

What do we need to bring?

In warm weather: Basic sports wear e.g. shorts and t shirt.

If it's cold/rainy: a fleecy top and tracksuit type trousers (jeans and hoodies are not ideal, as they hold a lot of water).

A water proof top and trousers are useful if you have them.

Children must wear footwear - old trainers, sandals, or wet shoes (Flip flops and Crocs are not suitable as they fall off easily and get lost).

A towel and change of clothing (and shoes) is required for every child!

We provide buoyancy aids (compulsory), water proof paddle tops if needed, and all necessary paddling equipment. Showers and changing facilities are available and there is a take away snack bar.

Do I have to be able to swim?

No. Because everyone wears a buoyancy aid, we do take non-swimmers. However we do need to be informed and on arrival at the centre if a non-swimmer is participating. The instructor will then keep a much closer eye on that child.

Is this suitable for beginners?

Yes! The party is led by a professional BCU qualified instructor and safety is our no. 1 priority. We are a nationally approved centre for canoe and kayak training, and are licensed by the Adventure Activity Licensing Service.

If you have any questions, or particular needs, please get in touch and we will do our best to help!
